Downloading eBooks to a Nook Simple device

1. Connect your Nook Simple to your computer via the USB cable.
2. Install Adobe Digital Editions on your computer.
 - a. Visit www.adobe.com/solutions/ebook/digital-editions.html
 - b. Click on the "Download" button near the top of the page.
 - c. Choose the Digital Editions Installer appropriate to your computer, and follow the prompts.
3. On your computer, open your web browser and visit www.farmingtonlibraries.org. Choose "Overdrive—E-Books" from the "Books & Media" drop-down menu.
4. Click on the "Login First!" link, and then select Farmington Libraries from the list of libraries.
5. Enter your library card number with no spaces to view our eBook collection.
6. When you have found a book that you wish to download, click on the cover. This will take you to the "Bookshelf" page. Click "Download" and be sure to select the "Adobe EPUB eBook" format.
7. Click "Confirm & Download" to begin your download.
8. You may be prompted to enter your Adobe ID. If you do not have an Adobe ID, you will see a link to create one.
9. Downloaded eBooks should open on your computer in Adobe Digital Editions. To transfer an eBook to your Nook Simple, make sure that you are in Digital Editions' "Library View" by clicking the "Library" button in the upper-left corner.
10. Finally, drag and drop your eBook to your Nook Simple, which should appear on the left under "Devices."
