

TEENS

JUNE 2016 PROGRAMS

Study and Snack

Monday, June 6th-Friday, June 10th

Prep for finals in style! All week, come study in the Teen Space after school. We will have supplies to help you prep for finals, and snacks to keep you going.

Finals Week in the Teen Space

Monday, June 13th-Thursday, June 16th

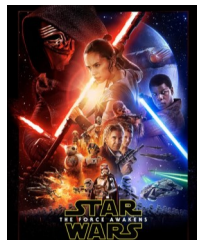

This week, relax between your finals in the Teen Space. Each day, you will be able to color, fold origami, or make beaded jewelry.

Friday Gaming

Friday, June 3rd @ 2:30pm

Relax from the week, and play your favorite board or card game in the Teen Space! Games and snacks will be provided.

Star Wars: The Force Awakens

Friday, June 10th @ 2:30pm

Celebrate the beginning of summer with Star Wars! Bring your friends to the Library to see Star Wars: The Force Awakens on the big screen! Popcorn will be served.

Summer Reading 2016!

3D Design Workshop

Monday, June 27th, Wednesday, June 29th, and Wednesday, July 6th

Kick off summer 2016, by learning how to design and finish your own 3D printed creations! Over 3 sessions, you will learn how to use a 3D design software, design your own object, and finish the printed object. Registration is required, and space is limited.

For teens in Grades 7-12.
