

FARMINGTON LIBRARY KIDS' PLACE

ELECTION DAY

TUESDAY, NOVEMBER 6

LET'S VOTE! (all day)

Vote for your favorite book character on election day! All ages. No registration required.

"MY WIGGLY, WOBBLY, LOOSE TOOTH" STORYTIME @ 10:30 a.m.

Ages 5-8. It's all about your teeth today. Books, music, and make your very own Tooth Fairy box to take home for that loose tooth. Please register.

ALL SORTS OF ANIMALS @ 2:00 p.m.

Grades 1-3. How do you know if an animal is a reptile, bird, mammal or fish? Have fun while investigating evidence including live invertebrates and a reptile, and figuring out how to start classifying animals. Please register.

INVERTEBRATE LAB @ 3:00 p.m.

Grades 4-6. Did you know that 97 percent of all animals on earth don't have a backbone? Students become scientists to investigate and classify live marine invertebrates into groups based upon their common characteristics. Please register.
