

Farmington Library Kid's Place

# **ARE YOU INTERESTED? SPANISH PLAY GROUP**

Speak to your child in the language  
you know best!

The Farmington Library would like to connect with other families who speak Spanish. Play, socialize and explore our foreign language collections. This would be for children birth to five and their caregivers and could meet twice/month. If you are interested in this self-guided play group, please contact Paula to discuss possible day and time.
