

Downloading and Reading e-books from Overdrive for iPhone/iPad, Nook color, or Android phone or tablet:

1.  Download the OverDrive app from your app store.
2. Open the OverDrive app and follow the prompts to sign up using your library card.
3. In the OverDrive app, tap the three lines to open the Home menu. 
Then, tap “Add a library” and enter your zip code to find your library’s OverDrive website. Tap the star to save your library to your library list.
4. Tap your library’s name to begin browsing.
 - Click Sign In (in upper right corner) or Login First! to view our library’s offerings.
 - Select your library from the dropdown menu.
 - Enter your entire library card number, no spaces. Click Sign In button.
 - Browse for e-books and/or e-audiobooks. Click on your selection.
 - Click Borrow.
5. Once you've borrowed a title, tap “Add to app,” or go to your Loans page and see all of your options for the title. From there, you can:
 - Tap “Choose a format,” then select EPUB eBook to add EPUB eBooks directly to the OverDrive app. *(Only choose “Kindle book” if you have the Kindle reading app and would like to read the book in the Kindle app.)*
 - Tap “Add to app” to add MP3 audiobooks and streaming videos directly to the OverDrive app.
 - Tap “Read now” to open and read OverDrive Read or MediaDo Reader eBooks in your browser, and tap “Listen now” to open and play OverDrive Listen audiobooks in your browser.
6. Confirm Download. Your book will download.
7. The item will appear in your library on your Bookshelf. There will be an icon telling you how long you have until the book erases from your account.
