# This is the Children's Room

There are books for kids in this room. This area is just for children and their grownups.

# This is Where I Can Go to Get Help in the Children's Room

The librarian wears a nametag. I can ask the librarian to help me find books. The librarian likes answering my questions.

# There are many books in my library.

They are neat and organized and all have a space on the shelf where they belong.

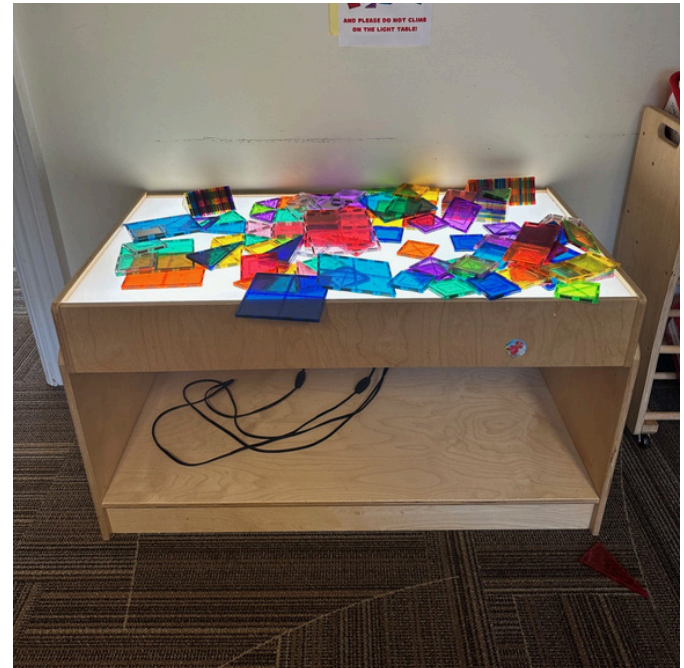

# My Library Has Computers

On the children's computers, I can play games.

# This is the Play Area at My Library

There is a train table and doll house. There is also a light table with magnatiles. I can play with friends here.

# This is a Bathroom at My Library

This is a bathroom in the library. I wash and dry my hands when I am finished.

# This is a Library Card

I can get my own library card! Having a library card at my library lets me borrow things like books and more.

# This is the Check Out Desk

When I am ready to leave the library I need to check out the items I want to take home. I can bring them to the desk and library staff can check out my books. I will hear lots of beeping sounds at this desk. Sometimes there is a line and I will be patient as I wait my turn.

# This is Where I Return Library Books

Inside

Outside

When it is time to return my items, I will put them carefully in one of the book drops at my library. There is one inside and one outside of my library. I can return my items in the outside book drop on days when I'm not going inside.

# It's Time to Say Goodbye

When my grownup(s) and I are done, we will say goodbye to the library for the day. I had fun at my library.

See you next time, Barney Library!
